Description

The LED plafon Matel is a 36W efficient light solution, designed to offer high luminosity with 4350 lumens in a round body of 400mm. Its technology allows you to select the desired color temperature using an integrated switch.

Technical characteristics

- Power: 36W
- Luminosity: 4350 lumens
- Diameter: 400mm
- Color temperatures: 3000K, 4000K, 6500K
- Materials: ABS and PS
- Colour: White

This device provides versatile lighting adaptable to different environments, ensuring superior optical performance without sacrificing the aesthetics of space. It is perfect for offices, corridors or living areas that require precise control of the light atmosphere.

The installation is easy on the surface, requiring only standard electrical connections and color selector adjustment before attaching the plafon to the ceiling. Its direct assembly facilitates integration into any existing structure without the need for complex works.

Specifications

Opening angle	120º
Energy classification	E
Colour	White
Diameter	400 mm
EAN	8425160268640
Lumens (lm)	4350
Material	ABS
Weight (kg)	0.996
Power (W)	36
Protection	IP40
Adjustable	Yes
Nominal voltage (V)	180-240
Type of installation	Surface
Shape	Round
