Extrathin Square LED Ceiling Light 32W with CCT Selector

Brand: ALFA

Reference: ALFA 27446

Apply extra flat 32W square LED with 60mm high body and opal diffuser for homogeneous light without glare. Includes cold, neutral or warm CST selector, offering 90% energy savings from traditional technologies. Its F energy rating ensures a long service life of up to 25,000 hours of continuous operation in various environments.

Description

The 32W Extraplan Square LED Application with CCT Selector is a contemporary design luminaire that integrates high-performance lighting technology to transform any interior space with efficiency and style. Its compact structure allows a discreet integration into low ceilings or suspended panels without compromising the light quality.

Technical characteristics

- Nominal power: 32W
- Luminous flux: 3200lm
- Body height: 60mm
- High quality opal diffuser for homogeneous light
- CCT color temperature selector (cold, neutral, warm)
- Energy classification F
- Estimated useful life: up to 25,000 hours
- Energy savings from traditional technologies: up to 90%

This lighting solution guarantees a uniform light distribution without glares, optimizing visibility and visual comfort in residential or commercial environments. Color temperature variability allows the atmosphere of the space to be adapted according to the time of day or the activity carried out, improving the overall visual experience.

The installation is simple by direct connection to standard power grid, requiring only fixation to the structural support and adjustment of the color temperature selector according to the specific needs of the environment. Its low profile facilitates mounting in spaces with height restrictions, keeping the aesthetics clean from the ceiling while providing functional and durable lighting.

Specifications

High	38
Width	38
Opening angle	120º
Energy classification	F
Colour	White
Cri (Ra)	90
EAN	8425160274467
Efficacy (lm/W)	100
Long	380x380mm
Lumens (lm)	3200
Material	Aluminio / PC
Measures	38 x 38
Weight (kg)	1.035
Power (W)	32
Protection	IP20
Nominal voltage (V)	230V
