Description

The 48W Extraplane Square LED Application is a contemporary design luminaire that integrates high-performance technology to transform interior spaces. Its compact structure ensures superior luminous flux, optimizing visibility and visual comfort in residential and commercial environments.

Technical characteristics

- Nominal power: 48W
- Luminous flux: 4800 lumens
- Body height: 70mm
- Diffuser: High quality opal
- Color temperature: CCT selector (cold, neutral or warm)
- Energy classification: F
- Estimated useful life: 25,000 hours
- Energy saving: Up to 90 per cent of traditional technologies

The light emitted is homogeneous and free of glare thanks to the opal diffuser, creating a pleasant atmosphere without creating visual discomfort. Its versatility allows to adapt the hue of the lighting to the specific needs of each room, improving the functionality and aesthetics of the environment.

The installation is simple and quick, requiring only standard electrical connection at the desired mounting point on any flat surface. Its low consumption and long life significantly reduce long-term operating costs, offering a durable and efficient solution for general lighting of homes and offices.

Specifications

High	48
Width	48
Opening angle	120º
Energy classification	F
Colour	White
Diameter	480x480mm
Diameter embedment (mm)	70
EAN	8425160279509
Format	Cuadrada
Long	70mm
Lumens (lm)	4800
Material	Aluminio / PC
Measures	48 x 48
Weight (kg)	1.685
Power (W)	48
Protection	IP20
Nominal voltage (V)	230V
Type of installation	Surface
