

## Product sheet

## Adjustable White Round LED Panel 300mm 24W 3CCT

Brand: ALFA

Reference: ALFA 28280

Adjustable 300mm 24W circular LED panel with ABS+PS flame retardant housing and acrylic panel. It offers 2600 lumens, F energy rating and 3CCT temperature change via integrated button. It has IP20 protection grade, 120° aperture angle and instant electronic ignition.

### Description

The 300mm White Adjustable Round LED Panel integrates low-consumption technology into an ultra-thin 2.5cm design, optimized for uniform and efficient lighting in various interior spaces.

#### Technical characteristics

- Power: 24W
- Diameter: Ø300mm
- Housing material: ABS+PS flame retardant
- Light panel: Acrylic LED
- Luminosity: 2600 lumens
- Energy classification: F
- Protection: IP20
- Opening angle:  $\geq 120^\circ$
- Anchor connection: Adjustable between 65-240mm
- On: Instant Electronics

Its versatility allows to adapt the color temperature by means of the integrated button, creating warm or neutral atmospheres according to the needs of the environment without compromising the visual quality. This superior light output transforms any room with a homogeneous light distribution.

The installation is facilitated by the adjustable anchorage system that adapts to distances between 65 and 240mm, allowing a flexible assembly on any flat surface. You only need to connect it to the

standard power grid and select the desired tone using the integrated switch to activate the lighting immediately.

**Specifications**

|                         |               |
|-------------------------|---------------|
| Opening angle           | 120           |
| Energy classification   | F             |
| Colour                  | White         |
| Diameter                | 300mm         |
| Diameter embedment (mm) | 300           |
| Driver included         | Yes           |
| EAN                     | 8425160282806 |
| Long                    | 2.5           |
| Lumens (lm)             | 2600          |
| Material                | ABS           |
| Country of origin       | Spain         |
| Weight (kg)             | 0.699         |
| Depth                   | 2,5cm         |
| Protection              | IP20          |
| Nominal voltage (V)     | 180-240       |
| Shape                   | Round         |
