Square 6W White 3CCT Recessed LED Downlight

Brand: ALFA

Reference: ALFA 28542

Downlight 6W white round recessable LED with 3CCT selector to adjust color temperature. Made of resistant polycarbonate, it offers instant electronic ignition and energy rating E. It guarantees up to 25,000 hours of continuous performance with 90% energy savings compared to traditional incandescent technologies.

Description

The 6W Downlight LED Embedded Square is an efficient light solution that integrates light-emitting diode technology to deliver optimal performance in indoor spaces. Its compact design allows easy installation in flat ceilings, providing uniform and durable lighting thanks to its robust construction made of high quality materials.

Technical characteristics

- Power: 6W
- Technology: 3CCT LED (Cold, Neutra, Warm)
- Material: Resistant polycarbonate
- Action: Diameter 121mm
- On: Instant Electronics
- Energy saving: 90%
- Energy classification: E
- Life expectancy: Up to 25,000 hours
- Guarantee: Three years

This product stands out for its versatility, adapting perfectly to projects that require dynamic color temperature changes without losing light quality. Its high energy efficiency significantly reduces operational costs compared to incandescent traditional light sources.

The installation is direct by means of standard recessing, ensuring an impeccable aesthetic integration into any type of roof. Its impact resistance and long life guarantee minimal maintenance throughout the product life cycle, ideal for commercial and residential applications that demand reliability.

Specifications

Appliance class	Class II
High	Redondo
Opening angle	120º
Energy classification	E
Colour	White
Driver included	Yes
EAN	8425160285425
Efficacy (lm/W)	110
Long	121mm
Lumens (lm)	660
Material	Polycarbonato
Measures	Diámetro 121mm
Weight (kg)	0.096
Protection	IP20
Nominal voltage (V)	230V
Shape	Round
