Description

The LED plafon MATEL is a 50W efficient light solution designed to illuminate interior spaces with high visual quality and low energy consumption. Its LED technology ensures long service life and optimum performance in various residential or commercial applications.

Technical characteristics

- Power: 50W
- Luminosity: 5650 lumens
- Color temperature: 3000K, 4000K and 6500K
- Diameter: 500mm
- Materials: Housing in ABS and PS white
- Assembly: Surface

This device offers superior luminosity that transforms the perception of the environments, providing a uniform light and free of annoying shadows. Its versatility allows the tone of lighting to be adapted to the specific needs of each area, from warm environments to functional cold lights.

The installation is simple and quick thanks to its design designed for direct surface mounting. It only requires connecting standard power cables and attaching the plafon body to the included accessories, achieving immediate start-up without additional technical complications.

Specifications

High	500mm
Opening angle	120º
Energy classification	E
Colour	White
Diameter	500 mm
EAN	8425160288914
Long	500mm
Lumens (lm)	5650
Material	ABS
Weight (kg)	1.45
Protection	IP40
Adjustable	Yes
Nominal voltage (V)	180-240
Shape	Round
