Description

The 20V Worgrip Drilling and Grinding Kit is a professional solution that integrates two versatile tools for drilling, screwing and cutting in construction and DIY. Its lithium technology ensures constant performance and optimized load times.

Technical characteristics

- Nominal power: 20V
- Drilling: Maximum torque 35 Nm, two speeds (0-400 and 0-1500 rpm), automatic screw rack Ø10mm
- Milling machine: 8500 RPM, 115/125mm disc, M14 thread
- Batteries included: Lithium 2.0Ah and 4.0Ah
- Connections: Integrated LED light, metallic spark protector
- Accessories: Fast charger, rigid PVC case, 13 bits and tips

The combination of both teams allows you to execute complex tasks accurately. The system has a sensitive trigger and a rubberized auxiliary handle to improve control in demanding operations.

The installation is immediate when the Worgrip compatible batteries are coupled. It is recommended to check the tension of the disc before each use and adjust the torque according to the material to be worked in order to avoid damage to the components or surfaces.

Specifications

EAN	8425160489120
Weight (kg)	5.396
Battery included	Yes
Power (W)	20
Adjustable	Yes
Revolutions per minute (RPM)	8500
Speeds	2
