Description

The 65mm Handlock Redondo bathroom knob is a safety accessory for toilets that guarantees privacy by means of an internal and external locking mechanism. Made of steel or zamak technology, it offers superior strength and a polished matt nickel finish that is aesthetically integrated into any modern bathroom.

Technical characteristics

- Diameter of the knob: 53mm
- Rosette: 65mm
- Adjustable lace: 60/70mm
- Compatible door thickness: 30/50mm
- Body material: Steel or Zamak
- Finished: Polished matt nickel
- Mechanism: Interior blockade with conviction and exterior with security unemployment system

Its robust design provides reliable security for users who require privacy, while the metallic finish adds an elegant and durable touch to the bathroom decoration. The construction in high quality materials ensures smooth and quiet operation during use.

The installation is easy thanks to the kit included with screwdriver and locksmith. It adapts perfectly to doors of standard thickness between 30 and 50mm, facilitating their assembly without the need for

additional specialized tools.
