Description

The VATTON electric sander type Mouse is a professional tool designed for fine surface finishing, equipped with a high-strength 140W engine that ensures constant performance. Its ergonomic design allows precise control during work in wood, metal or plastics.

Technical characteristics

- Power: 140W
- Speed of rotation: 0-14000 RPM
- Base dimensions: 140x140x80 mm
- Sanding system: Velcro
- Includes integrated dust outlet tube

This sander offers a uniform and efficient finish, eliminating superficial imperfections very quickly. The high adjustable speed facilitates both the coarse sanding and the final polishing without generating excessive heat in the piece.

For installation and handling, simply place the base on the surface to be treated ensuring firm contact. Connect the dust outlet tube to the system to capture the particles generated during the process, keeping the work area clean and safe.

Specifications

High	14
Width	14
EAN	8425160491802
Measures	14 x 14 x 8
Weight (kg)	1.567
Power (W)	140
Depth	8
Revolutions per minute (RPM)	14000
Nominal voltage (V)	230V
