PicoKom 1e/(2s+TV) EasyF Automatic Gain Control Home Amplifier

Brand: TELEVES

Reference: TELEVES 560523

PicoKom 1e/(2s+TV) housing amplifier with automatic gain regulation for terrestrial TV home networks. It incorporates LTE700/5G filtering and input feed for preamplifiers. Compact design installable in 100x100mm boxes with integrated switching source of high performance and reduced consumption up to 40% compared to standard models, ready for PlugandPlay without manual adjustments.

Description

The PicoKom 1e/(2s+TV) Home Amplifier "EasyF" is a device designed to expand the home terrestrial television network, operating in the VHF/UHF bands and prepared for LTE700. Its automatic gain regulation technology allows you to adapt the signal to different residential environments, ensuring optimal reception without the need for complex manual adjustments.

Technical characteristics

- Frequency band: VHF/UHF and LTE700 Ready
- Winning video outputs: 98/101 dB
- TV output gain: 4 dB with self-adjustment
- Input connection: 10/16 mm (G 10/16dB)
- Power supply: through the input for preamplifiers or BOSS systems
- Built-in filtering: LTE700/5G
- Installation design: 100x100 mm connection boxes
- Connection system: EasyF
- Power consumption: reduced by 40% compared to standards

This amplifier offers a TV output with reduced gain, ideal for connecting directly to the TV without

installing intermediate sockets. Integrated filtering against interference from mobile networks ensures that the TV signal remains clean and stable, improving image and sound quality on all receivers connected to the three available outputs.

The installation is easy thanks to the Plug and Play system and its compact design. It is fixed in boxes of standard connections of 100x100 mm, facilitating its integration into electrical cabinets or crossing points. The integrated switching source minimizes electrical noise and reduces energy consumption, while automatic regulation protects connected equipment from signal spikes.

Specifications

High	10
Width	10
EAN	8424450246504
Measures	10 x 10
