Multiple Base Recessed Box 2 Sockets 16A Polycarbonate

Brand: SOLERA

Reference: SOLERA 8002P

ION series recessed box with multiple base 2 sockets 2P+T of 16A 250V~ and maximum power of 3680W. Made in high-temperature resistant polycarbonate up to 850°C GWT. Includes rubber cable grommets, cover for mini channel, and quick extraction system with holes for screw or flange fixing.

Description

The ION 188 RECESSED BOX is a multiple base designed to accommodate up to two electrical sockets of type 2P+T, ensuring a safe and tidy installation in residential and commercial environments. Manufactured with high-strength polycarbonate technology, this product supports nominal loads of 16A at 250V~, allowing a maximum continuous consumption of 3680W without compromising material integrity. Its construction is optimized to effectively dissipate generated heat, maintaining a maximum working temperature of 85 degrees Celsius, ensuring reliable operation even in demanding environmental conditions.

Technical Features

- Nominal Power: 16A at 250V~ (Max. 3680W)
- Manufacturing Material: Polycarbonate
- Maximum Working Temperature: 85°C
- Number of Sockets: 2 (Type 2P+T)
- Color: White
- Entry System: Compatible with mini channel (7x12, 10x16, 10x20, 12x12 mm)
- Includes rubber cable grommets for cable protection

Thanks to its robust structure and superior quality insulating materials, this box offers excellent dielectric protection against moisture and accidental contacts. The ability to house two sockets allows energy distribution at different points with a single recessed box, reducing visual clutter and facilitating

future maintenance. Additionally, its design incorporates safety mechanisms that prevent thermal overload, protecting both connected devices and the home or premises electrical installation.

Installation is simple and fast due to the quick-extraction cover and easy-access recessing that facilitates cable passage.

Specifications

High	7
Width	12
Colour	White
EAN	8423220250185
Material	Policarbonato
Measures	7 x 12
