Description

The Expert Rectangular Mold is a carbon steel tool specifically designed for use in furnaces, offering durability and professional performance.

Technical characteristics

- Material: Carbon steel
- Form: Rectangular
- Measurements: 25.5 x 13.3 x 5.7 cm
- Inner coating: Anti-stick black
- Outer lining: PQ-7764C
- Colour: Olive green

Thanks to its non-stick finish inside, it facilitates the release of cooked foods, while the exterior coating PQ-7764C and the olive green color contribute to a robust and functional aesthetic within the oven environment.

may contain errors or omissions and does not replace the manufacturer datasheet.
