Brand: WOLFCRAFT

Reference: EDM 16846

Self-adhesive sanding discs with a carbide grid structure, 225 mm diameter and grit 220. This set includes 5 units specifically designed for sanding plasterboard and wood.

[View product online](#)**Description**

Self-adhesive carbide grid sanding discs are accessories designed for the surface finishing of plasterboard and wood. Their direct adhesion system facilitates mounting on sanding tools, ensuring efficient use without the need for additional fixings.

Technical Specifications

- Disc diameter: Ø 225 mm
- Grit: 220
- Type: Sanding disc
- Features: Self-adhesive
- Structure: Carbide grid
- Contents: 5 pcs

Due to their medium-high grit and grid structure, these discs allow controlled roughing on plasterboard and wood surfaces, removing irregularities with precision.
