Description

This round multiple socket base integrates four electrical sockets, USB-A and USB-C ports into a compact 1.4 m cable design. Its white and grey housing offers a practical solution to arrange power supply in reduced spaces.

Technical characteristics

- 4 electrical sockets 2p+t
- 1 USB-A port
- 1 USB-C port
- 1.4 m power cord
- Voltage: 230 V / 3680 W max.
- Protection degree IP20
- Child protection system
- Colour: White and grey

The combination of multiple electrical connections and fast charging ports allows you to power multiple devices simultaneously without the need for additional extenders, optimizing the use of space in desktops or work areas.

may contain errors or omissions and does not replace the manufacturer datasheet.
