Description

The yellow textile paint is a specialized product designed to apply color on fabrics, offering a versatile solution that covers any existing base tone.

Technical characteristics

- Colour: Yellow
- Type: Textile paint
- Content: 80 ml
- High adhesion and flexibility
- Covers any tone

Thanks to its high adhesion and flexibility, this paint ensures that the color is kept in the fabric without cracking or peeling off with use or washing, ensuring a uniform cover on surfaces of different colors.

It can be easily applied using roller, brush or airbrush, which allows you to adapt to different textile decoration techniques and finishing needs according to the project.
