Description

The 80 ml red textile paint is a product designed to impart color to fabrics, offering a versatile solution that covers any existing base tone.

Technical characteristics

- Colour: Red
- Type: Textile paint
- Content: 80 ml
- Implementation: With roller, brush, airbrush
- Characteristics: High adhesion and flexibility
- Characteristics: Covers any tone

Thanks to its high adhesion and flexibility, this paint ensures that the color remains firm in the fabric without cracking when moving or stretching, ensuring a uniform cover on surfaces of different colors.
