Description

The 80 ml orange textile paint is a specialized product designed to impart color on textile surfaces, ensuring uniform coverage over any existing base tone.

Technical characteristics

- Colour: Orange
- Type: Textile paint
- Content: 80 ml
- High adhesion and flexibility
- Covers any tone

Thanks to its formulation with high adhesion and flexibility, the material integrates effectively into the fiber without cracking or peeling, ensuring that the orange color remains vibrant after the movements of the fabric.
