Product sheet

Pink textile paint 80ml high adhesion and flexibility

Brand: EDM

Reference: EDM 64429

This 80 ml pink textile paint has high adhesion and flexibility to cover any existing base tone. Its technical formulation allows application with roller, brush or airbrush on different textile surfaces. The product guarantees a durable finish that resists the usual wear of frequent washing without losing elasticity or vibrant color on the fabric.

Description

The 80 ml pink textile paint is a specialized product designed to apply color on fabrics with high adhesion and flexibility, allowing to cover any existing base tone.

Technical characteristics

- Colour: Pink
- Type: Textile paint
- Content: 80 ml
- Implementation: With roller, brush, airbrush
- Characteristics: High adhesion and flexibility
- Characteristics: Covers any tone

Thanks to its ability to adhere firmly and maintain the elasticity of the fabric, this paint offers lasting results in garments or textile accessories without restricting the movement of the fabric.
