Description

This black textile paint with 80 ml content is designed to apply color on fabrics, offering a versatile solution for various creative projects. Its formulation allows covering any existing previous tone without the need for special preparation.

Technical characteristics

- Colour: Black
- Type: Textile paint
- Content: 80 ml
- High adhesion and flexibility
- Covers any tone

Thanks to its ability to cover any tone, it allows to transform garments or fabrics of different colors into uniform black without the need for complex pre-treatments. Its high adhesion and flexibility ensure a durable finish on textile surfaces.
