## Description

This acrylic water-based paint offers a finishing with chalk effect in mint color, designed to ensure high cover and adhesion without needing to prime. Its formulation complies with EN71-3, which makes it safe and suitable for use in toys and children's material, resisting the passage of time and moisture while drying quickly.

Technical characteristics

- Content: 175 ml
- Colour: Mint
- Type: Water-based acrylic paint
- Visual effect: Tiza
- Performance: High coverage and adhesion
- Preparation: No primer required
- Normative compliance: EN71-3
- Drying time: Quickly.

Thanks to its safe and fast drying composition, it is ideal for projects where durability and compliance with children's standards are priority.
