Description

This snowy tree with fixed function is designed for outdoor use, offering warm white lighting that brings a cozy touch to any outdoor space. Its structure measures 1.5 meters high with a diameter of 60 cm, ensuring a prominent visual presence without occupying too much ground.

Technical characteristics

- Number of LEDs: 72
- Type of light: Led
- Degree of protection: IP44
- Power cable: 5 m
- Timer: 8 h on / 16 h off
- Functions: Fixed and blinking
- Power supply: Transformer 3,5v
- Includes stakes for ground fixation
- Total measures: Ø60 x 1.5 m

Thanks to its integrated timer system, the device automatically regulates the light and dark cycles, optimizing energy consumption while maintaining active decoration during the key hours of the day. The inclusion of stakes facilitates their direct installation on the ground, ensuring stability and safety outside.
