Description

The basic multifunction garland is a decorative lighting designed to create festive and welcoming environments in both indoor and outdoor spaces. Its versatile design allows adapting to various occasions, from casual celebrations to more formal events, bringing a touch of color and dynamism to any environment.

Technical characteristics

- Type: Garland
- Colour: Multicolor
- Usage: Interior / exterior
- Protection grade (PI): IP44
- Total length of garland: 18 m
- Number of LEDs: 240
- Distance between LEDs: 7.5 cm
- Power cable: 5 m
- Cable colour: Black
- Effect functions: 8 intermittent modes
- Integrated timer: 8 hours on / 16 hours off

Thanks to its multiple effect functions, this garland offers variety in lighting without the need for constant manual intervention. The presence of an automatic timer facilitates its daily use by regulating

the ignition and shutdown cycles efficiently.

Its IP44 degree of protection ensures safe operation against splashes of water, allowing it to be installed in outdoor areas exposed to weather without risk of damage due to mild humidity or occasional rain.
