Description

The Stacktech Large Tool Box is a modular container designed to organize and transport equipment, outstanding for its stacking capacity and robust structure.

Technical characteristics

- Type: Toolbox
- Protection class: IP65
- Characteristics: Modular and stackable
- Main material: High resistance polymer
- Structural reinforcement: Steel Corners for Fixing Accessories
- Includes: Inner tray
- Closing: Unmounted and secured latch

Its modular design allows efficient space management when stacking, while the inner tray facilitates the ordering of the contained elements.
