Product sheet

Stacktech modular tool box 53 x 40.5 x 30 cm

Brand: TOUGHBUILT

Reference: EDM 79177

The Stacktech tool drawer is a modular and stackable container to optimize storage. Built with high resistance polymer reinforced by steel corners, it guarantees durability in demanding environments. Its automatic locking system and ginning latch ensure the stability of the accessories during transport. With a certified load capacity of 22.5 kg and total dimensions of 53 x 40.5 x 30 cm, this model offers a precise lace of 47 x 35.5 cm to facilitate integration into industrial stackable systems without compromising the structural safety and operational efficiency of the work equipment.

Description

The Stacktech Tool Box is a modular solution designed for the organized storage of accessories, highlighting for its fast stacking system and robust construction.

Technical characteristics

- Material: High strength polymer with steel corners
- Load capacity: 22.5 kg
- Total dimensions: 53 x 40.5 x 30 cm
- Fitting size: 47 x 35.5 cm
- Closing system: Unmounted and secured latch
- Blocking: Automatic
- Style: Modular and stackable

Thanks to its steel-reinforced corner structure and high load capacity, this drawer ensures the safety of the stored elements while providing quick and orderly access.
