Description

This set of three softbox bags in tower format optimizes the vertical storage of small objects and tools. Its stackable design makes it possible to make the most of the space available on shelves or cabinets.

Technical characteristics

- Includes: 3 units
- Type: Softbox bag
- Material: Durable mesh with plastic lined walls
- Closing: Zipper with wide opening
- Measurements: 28 cm, 15 cm and 7 cm
- Implementation: Small tools and objects
- Sale for labels

The combination of resistant mesh and plastic lining ensures durability against accidental drilling. The wide openings facilitate the rapid insertion of the contents without the need for excessive manipulation.
