Description

The Cliptech System Supply Bag is an accessory designed to efficiently organize and transport tools and materials. Its robust structure allows maintaining order in any working environment where quick access to the necessary elements is required.

Technical characteristics

- Dimensions: 25.5 x 9.5 x 33 cm
- Structure: 6 layers
- Compartments: 11 pockets and brackets
- Includes: Very resistant clip for tape metric
- Includes: Support to support the bag on any surface
- Closing system: Buckle and unbutton on any belt
- Contents: 1 cliptech fixation element

The integrated design of the 11 compartments facilitates the separation of small and large tools, while the sturdy clip ensures that the measuring tape remains accessible without risk of loss. The included support allows you to place the bag on flat surfaces to release your hands during work tasks.

The closure system compatible with any belt offers versatility for use in different types of workwear, adapting to various needs of mobility and user comfort.
