Description

The Stacktech roller holder is an accessory designed to facilitate the storage and access to rolls in tool boxes or organizing baskets. Its compact construction allows efficient integration within the existing organization system.

Technical characteristics

- Model: Stacktech
- Type: Roller holder
- Measurements: 46.5 x 23 x 38.1 cm
- Diameter bar: 18 mm
- Maximum capacity: Rolls with outer diameter up to 16,5 cm
- Includes: Quick release button

The small diameter bar is specifically adapted to reduced centre axles, which is ideal for handling smaller wire coils. The rapid release mechanism allows for removals and replacements of the material without additional effort.
