Product sheet

Stacktech 2-shelf system 53 x 40.5 cm with quick release

Brand: TOUGHBUILT

Reference: EDM 79226

Stacktech two shelf system of high strength polymer with load capacity of 22.5 kg. Includes fast release rails, e-track brackets and secure anchorage points for transport belts.

Description

This two-shelving Stacktech system, with dimensions of 53 x 40.5 cm, offers a modular solution compatible with the Stacktech system. Its design prioritizes logistical efficiency through rails for quick release complements and e-track supports that facilitate repositioning.

Technical characteristics

- Quick release
- Load capacity: 22.5 kg
- Material: High resistance polymer
- Compatible with: Stacktech modular system
- Safe anchorage points for conveyor belts
- Action: Two 50 cm guides
- Adaptable shelf height
- E-track brackets with resistant structure
- Shelving dimensions: 53 x 40.5 x 4.5 cm
- Fitting size: 47 x 35.5 cm

The combination of its resistant material and height adaptability makes it possible to optimize storage space without compromising safety during transport.

Specifications

High	53
Width	40,5
EAN	1210001303041
Material	Polímero
Measures	53 x 40,5 x 4,5
Depth	4,5
