Description

This portable safe box with cable and combination offers safe storage for valuables in reduced spaces. Its compact design allows easy transport while ensuring the protection of its contents by means of a robust locking system.

Technical characteristics

- Capacity: 1.4 liters
- Combination: Programmable in 3 figures
- Type: Portable safety deposit box
- Material: Steel with soft inner lining
- External measures: 15 x 20.3 x 6.6 cm
- Interior measures: 13,5 x 16,8 x 6,1 cm
- Includes: Steel anchor cable

The soft inner lining protects items stored from scratches or friction damage during daily use. The included anchor cable allows you to attach the box to stable surfaces to increase your security in temporary locations.
