Description

The Climax 10 basic harness kit is a equipment specifically designed for height work that does not require clamping or positioning functions. Its configuration includes a single dorsal anchorage point and a mod30 connector for system integration.

Technical characteristics

- Type: Kit harness
- Model: Climax 10 basic
- Implementation: Work in height
- Anchoring point: 1 dorsal anti-fall point
- Action: Steel ring 8 mm, polyester tape 45 mm
- Regulation: Buckle buckles
- Content: Semi mooring element cu.29/1
- String: Semistatic polyamide class A ø11 mm
- Connection: Mod30 connector
- Extremos: Polypropylene head guard at both ends

This assembly incorporates high tensile strength and is compatible with energy absorbers and retractable fall-proof devices. It is essential to remember that it should not be used as an anti-fall system without the presence of an energy absorber.

Specifications

High	0,8
Diameter	1,1 cm
EAN	8423246232004
Manufacturer	CLIMAX
Material	Polypropylene
