Description

The multi-plug connector or lifting socket tower is designed to provide functionality and comfort in the day to day, integrating discreetly into kitchen, office and home furniture. Its retractable design allows you to hide it when it is not used and remove it easily manually when accessible electrical connections are needed.

Technical characteristics

- 3 Schuko plugs (up to 4000W - 16A).
- 1 USB type A port with fast charging (5V-3A, 9V-2A, 12V-1.5A).
- 2 USB type C ports with fast charging (up to 20V-3.35A in C1 and 12V-1.67A in C2).
- Material: Aluminium and black painted plastic.
- Product dimensions: 31.5 x 8.1 x 8.1 cm.
- Installation machining: Ø 60 mm.
- Compatible surface thickness: between 1 and 95 mm.
- Power cable: 1.8 m (230V AC 50Hz).
- LED ignition indicator.
- Manual fixing without tools by nut.

Thanks to its high power and multiple fast charging ports, this device allows you to simultaneously

power high-consumption appliances and mobile devices efficiently. Its installation is versatile in high or low modules, adapting to surfaces with pre-existing cable crossings.

The attachment to the furniture is done quickly and easily by means of a manual fixing nut, without the need for tools. It also has a discreet LED ignition indicator and 1.8 m cable with plug, ready for operation at 230V AC 50Hz.

Specifications

High	31,5 cm
Width	8,1 cm
Colour	Pintado negro
EAN	8432393357560
Manufacturer	EMUCA
Material	Aluminio
