Description

The FITTING LINKS MIXTO R/M 90-3 is a plumbing and air conditioning component designed to connect tubes with reductions or round heads, allowing different diameters to be attached through a mixed bonding system.

Technical characteristics

- Mark: FITTING
- Link type: Mixed
- Reference: R/M 90-3

Due to its mixed design, this fitting allows to adapt existing systems facilitating the connection between different components within hydraulic or air conditioning installations.
