BELLOTA 4001/6 coarse flat mechanical file pointed tip without handle

Brand: BELLOTA

Reference: SCO 30393

The BELLOTA model 4001/6 flat mechanical lime tip is a manual tool designed for finishing and grinding surfaces. It has a robust metal body that allows precise control during use in carpentry and general metallurgy projects.

[View product online](#)**Description**

The BELLOTA brand's 4001/6 flat mechanical tip file is a manual tool designed for the precision sharpening and finishing of metal surfaces.

Technical characteristics

- Mark: BELLOTA
- Type of file: Mechanics
- Cutting profile: Plana
- Tip shape: Point
- Identification code: 4001/6
- Grain: Stop it.
- Includes handle: No

Given its mechanical construction and sufficient grain, this lime offers an efficient finish for general metallurgy work where it is required to remove material with moderation without the need for additional handle.
