Description

The UKI Diamond Drygres Diamond Drill M-14 is an accessory designed to connect specific diamond drill bits to your drill system. This component allows drilling in hard materials such as ceramics, porcelain or stone using Drygres dry cooling system.

Technical characteristics

- Mark: RUBI
- Product type: Drill adapter
- Spindle: M-14
- Supported drill bit: Diamond
- Refrigeration system: Drygres (dry)
- Code: 05976

This adapter facilitates the use of diamond drill bits in masonry and construction applications where waterless drilling is required, optimizing the working process with standard power tools.
