SDS Plus Pro All-Material Drill Bit 10x210mm

Brand: SCOA

Reference: SCO 39714

The 10x210 mm Blue Master Plus Pro drill bits is a drilling tool for all materials with special hard metal tip and double channel design. Optimised for low tile anchorages and works in brick, sheet or other fragile substrates that require precision and durability in diverse construction applications.

Description

The BLUE MASTER SDS PLUS PRO is a drilling tool designed for applications in diverse materials, ensuring reliable performance in construction and maintenance environments. Its construction is optimized to facilitate anchoring on complex surfaces.

Technical characteristics

- Diameter: 10 mm
- Total length: 210 mm
- Attachment system: SDS PLUS
- Implementation: All material
- Point: Special hard metal
- Design: Double channel

This piece is especially suitable for anchoring under tile and in fragile materials such as brick, tile and sheet, taking advantage of its hard metal tip and its double-channel geometry to minimize the risk of breakage on delicate surfaces.
