Description

The BOSCH GIM 60 digital tilt level is a precision tool designed to measure angles and slopes accurately in various applications.

Technical characteristics

- Mark: BOSCH
- Model: GIM 60
- Type: Digital inclinometer level
- Units of measurement: Grades, percentages, mm and mt
- Indicators: Direction arrows and acoustic signal at 0° and 90°

This tool allows fast and reliable measurements thanks to its ability to display data in multiple units and alert the user using visual and sound signals when horizontality or verticality is reached.
