Description

The professional BOSCH GWS grinder is an electrical tool designed for cutting and scraping tasks in hard materials, offering powerful and controlled performance. Its compact and ergonomic design facilitates its handling in small spaces or precision work.

Technical characteristics

- Power: 1400 W
- Disc diameter: 125 mm
- Maximum RPM: 11000
- Weight: 2.2 kg
- Soft start function included

The smooth start function increases operator safety by reducing the risk of initial splashing during ignition. With a power of 1400 W and a cutting diameter of 125 mm, this tool is suitable for general construction and maintenance applications that require efficiency and durability.

Specifications

EAN	3165140394475
Power (W)	1400
