Description

The black hybrid softshell jacket coat is a protective garment designed for work use, offering versatility and functionality in environments that require workwear. Its design combines the comfort of softshell fabric with specific features to ensure proper performance during the day.

Technical characteristics

- Model: 288CSHXXL
- Size: XXL
- Colour: Black
- Outer material: Softshell hybrid
- Category: Workwear and footwear / Signaling

Due to its softshell construction, the jacket provides a wind resistant coat layer and adaptable to different weather conditions, ideal for jobs that require mobility and basic protection against external elements without additional specifications of waterproofness or advanced thermal insulation.
