### Description

The Cotton Pants 1° Marine Blue 40=488PATOP40 is a garment designed for work use, made entirely of cotton material. Its navy blue colour and textile composition define it as a basic article of professional protection and clothing.

#### Technical characteristics

- Colour: Blue
- Material: Cotton
- Category: Protection/EPIS/Lace and Footwear/Signalization

Given its cotton fabric, it offers the inherent properties of this natural material. Its classification within the category of workwear indicates its main function as clothing for work environments.
