Description

PATTEX Nural 50 is a red metal screw and nut fixer designed to ensure the stability of threaded connections and couplings.

Technical characteristics

- Volume: 10ml
- Colour: Red
- Hardening time: 20 minutes
- Time to reach maximum strength: 12 hours
- Note: At temperatures below 15°C, drying times can be considerably longer.

Given its fastening and sealing profile, this product is applied to elements such as screws, asparagus, bolts, nuts, bushings, bearings, seals, rings, bearings, plugs, shafts, pulleys and bolts.

It is used in block, butt, carburetor, transmission, clutch, steering, gears, differential, brakes, oil and gasoline pumps, as well as in die and alternator applications.

Specifications

Colour	Red
EAN	8410020042690
