Description

The VERDURAS VERDURAS PLASTICO VERTICAL 170mm 606900 ARCOS is a kitchen utensil designed for the efficient and fast peeling of vegetables. Its construction allows safe and comfortable handling in daily food preparation tasks.

Technical characteristics

- Double Blade Blade in high quality stainless steel
- Double-edged design for fluid, fast and bidirectional peeling
- Adaptability for right-handed and left-handed users
- Includes Integrated Imperfection Remover with top metal tip
- Ability to remove the eyes of potatoes and small imperfections
- Ergonomic and Safe Handle with Bimaterial Structure
- Comfortable and firm grip that prevents slips
- Compact and Functional Design
- Optimized dimensions with hole in the handle to hang it

The combination of its double blade blade and integrated metal tip facilitates comprehensive cleaning of the vegetable, while the bimaterial handle ensures total control during use.

Specifications

EAN	8421002606908
