

Product sheet

White extendable bathroom bar with Epid finish 110-200 cm

Brand: EPID

Reference: ALM 3011.0208

White extendable bathroom bar with Epid finish, designed for variable spaces with a length adjustment range between 110 and 200 cm. This functional accessory adapts to different sanitary measures thanks to its extension mechanism, offering a versatile solution for hanging towels or accessories without the need for rigid fixed installation in bathrooms of standard or reduced dimensions.
