Description

The STHOR shovel cinzel model 23592 is a drilling tool designed for concrete and stone work, compatible with SDS Plus systems. Its construction allows the extraction of hard materials through controlled impacts.

Technical characteristics

- Diameter: 40mm
- Total length: 250mm
- Attachment system: SDS Plus
- Model reference: 23592
- Mark: STHOR

Given its diameter of 40mm and length of 250mm, this cinzel is intended for applications that require a robust shovel for the demolition of hard surfaces.

Specifications

Diameter	4 cm
EAN	5906083235924

Manufacturer	STHOR
