Description

The SICK FRUIT HOLDER 450 WHITE ILSA is an opening tool designed to extract screw plugs and open cava bottles. Its construction combines wooden handles with epoxy aluminum body, offering a robust and functional tool.

Technical characteristics

- Made of epoxy aluminum and wooden handles
- Conical shape for different calibres
- Open bottles of cava and screw caps
- Stainless spring

The conical shape allows to adapt to different diameters, while the stainless steel spring ensures the necessary pressure for an effective opening.
