Kipit Model 12804 1.5m Snake Pipe Drain Cleaner

Brand: KIPIT

Reference: ALM 3132.1478

The 12804 KIPIT Loosener is a 1.5 metre equipment specifically designed for the cleaning of urchin-shaped pipes. This accessory allows access to internal obstructions through its hook and barbed mechanism, facilitating the extraction of solid waste in sanitation systems without the need for aggressive chemicals.
