

## Product sheet

**Prochef Kitchen Shears 215mm  
Stainless Steel Model 185601**

Brand: ARCOS

Reference: ALM 3144.0030

The ProChef kitchen scissors model 185601 215mm Arcos is made of stainless steel and polypropylene with anti-wear edge prepared for intensive use. Its serrated style prevents wear by prolonging the service life of the cut.

[View product online](#)**Description**

ProChef kitchen scissors model 185601 Arcos are cutting tools designed for intensive use in professional environments, made of stainless steel and polypropylene handle. Its construction seeks to ensure a long service life and a comfortable grip during handling.

## Technical characteristics

- Made of Stainless Steel and Polypropylene
- Anti-wear filament prepared for intensive use
- Serrated style that reduces edge wear
- Durable and comfortable grip handle made of polypropylene
- Turn shaft suitable to exert greater cutting force
- Strategically separated handles to multiply the pressure when cutting, achieving a more precise, easy and stable cut

The combination of materials and shaft design allow you to maintain efficiency in repetitive cuts without losing precision.
