Description

3 metre elongator with section 2x0.75mm, model 100500001 of the GSC brand.

Technical characteristics

- Length: 3 meters
- Section: 2x0.75mm
- Mark: GSC
- Code: 100500001

Electrical component designed for connection and extension of circuits according to their dimensional specifications.

Specifications

EAN	8433373031944
Manufacturer	GSC
Long	3 metros
