Description

The M901AC75 ring hanger handle by the BELLOTA brand features a handle made of first quality wood, characterized by being light and pleasant to the touch. Its ergonomic design is specifically adapted to the user's hand to ensure a comfortable grip during use.

Technical characteristics

- Mango: Top quality wood
- Weight: Light
- Tact: Nice.
- Design: Ergonomic hand adapted
- Finished: Barnised

The combination of a lightweight material with a varnished finish and an ergonomic shape facilitates the handling of the tool, offering a comfortable experience of use thanks to the inherent properties of the selected wood.
