Description

The Bellota half-cane lime with 4' interfine handle is a manual cutting tool designed for mechanicals that require precision in the finishing of parts. Made of the best quality carbon steel and subjected to a tempering treatment, it guarantees the necessary hardness for its professional use.

Technical characteristics

- Type: Medium cane lime
- Mango: Entrefine
- Long: 4'
- Sheet material: Carbon steel of the best quality
- Treatment: Temple

Thanks to its construction in tempered steel, this file offers the strength and durability expected in machining environments where it is worked with precision.

Specifications

EAN	8414299132526
Manufacturer	BELLOTA
Material	Steel
