Description

This set includes 3 metal sanding discs with G80 grain and 125mm diameter, identified by code 6362527538. They are accessories designed for sanding processes on metal surfaces.

Technical characteristics

- Diameter: 125mm
- Grain: G80
- Material: Metal
- Quantity: 3 units
- Code: 6362527538

Given the G80 grain, these discs are configured for a fine metal finish abrasion.

Specifications

Diameter	12,5 cm
